## EXPERIENCE

### **Coder Foundry, Kenersville - *FullStack .Net/Web Development***

JANUARY 2021 - PRESENT

I have learned a lot of knowledge about web development, C#, Xamarin, and mobile development here.

### **Pho 14, Lincoln— *Kitchen Assistant***

AUGUST 2018 - DECEMBER 2020

This was my first job when I landed in the US, I learned a lot of management skills here.

### **Overwatch X, Vietnam— *Video Editor***

MARCH 2016 - FEBRUARY 2018

I have a full time job at Overwatch X as a video editor. In here, I learned a lot of experiences about leadership and teambuilding

## EDUCATION

### **Southeast Community College, Lincoln — *Academic Transfer***

AUGUST 2018 - DECEMBER 2020

## PROJECTS

### **Bug Tracker — *Web Application* — [Link](#)**

A bug tracking system or defect tracking system is a software application that keeps track of reported software bugs in software development projects. It may be regarded as a type of issue tracking system.

### **Personal Blog — *Web Application* — [Link](#)**

A small personal blog website allows me to write and edit my personal posts. Users don't have to login to read my post but they have to login if they want to comment in the post.

### **My Portfolio — *Web portfolio*— [Link](#)**

My online personal portfolio with mini projects in there.

## MY STACK

HTML, CSS, and Javascript.

C#.

.Net MVC - Visual Studio.

Postgress SQL Database.

Xamarin.

## SKILL

### **WEB DEVELOPMENT**

Every company needs a website developer to have a mission to build and maintain their business.

### **MOBILE DEVELOPMENT**

You need a software engineer to handle both Android and iOS mobile apps, I can help you do that.

### **IT TECHNICAL SUPPORT**

Sometimes people will have a hard time with their computer, and I love helping people when they're struggling with their computer.

## LANGUAGES

English, Vietnamese
